See overleaf for Codes of Conduct and Player's Code.

Codes of Conduct

Codes of Behaviour provide a supportive framework which promotes fair play and appropriate behaviour in school sport. These codes apply to players, teachers, coaches, principals, parents, officials and spectators who together provide the environment in which school sport is played. The following Codes apply to school sport at all levels and are designed to highlight:

- the principles of enjoyment, satisfaction and safe play in sport
- that students participate for their own sake and not to fulfil the desires of parents, adult groups or peers
- the encouragement of student participation in sport and, in so doing, contribute to higher levels of health and physical fitness.

PLAYERS' CODE

- Play for the fun of it.
- Play by the rules and always abide by the decisions of officials.
- Control your temper. Make no criticism either by word or gesture. Deliberately distracting or provoking an opponent is not acceptable or permitted in any sport.
- Work equally hard for yourself and your team. Your team's performance will benefit and so will your own.
- Be willing to train and prepare for the game or competition. Preparation helps prevent injury and increases the level of enjoyment.
- Play only when you are fully fit. To play with injury will handicap your team, and may expose you to the risk of further and more serious injury.
- Be a good sport. Applaud the good play of your teammates and that of your opponents.
- At all times cooperate with your coach, teammates and opponents, for without them you do not have a competition.
- Remember the goals of the game are to have fun and improve your skills. Be modest in success and generous in defeat.
