IWPSSA TENNIS TRIALS

Friday, 14th February 2025

Hi to all the school sports organisers / PSSA coordinators and welcome back.

Could your school please identify students who you think should be considered for our IWPSSA Zone Tennis Team and give them a copy of the attached permission note.

Please list below the names of the students who have returned the permission note to you and email back to me by **Wednesday, 12th February 2025**.

*Please be aware that the Zone Tennis Trials are **NOT** an opportunity to try tennis but rather the process for selecting suitable players to compete at the Regional Tennis Trials. **Players attending the Zone Tennis Trials need to be of a high standard, **NOT** beginners. They should be players who regularly participate in competitive tennis and are also capable of scoring their own matches.** If you are unsure whether a student should attend, feel free to contact me. (Students should be 11 /12 years of age unless they are exceptional players, playing at competition / tournament level.)*

Our Zone can enter up to 4 boys and 4 girls to attend Sydney East Regional Trials to be held at **the Illawarra Tennis Club, 71 Chapel St, Rockdale on Tuesday 18th February, 2025**. Students attending the Zone Tennis Trials **MUST** be able to attend the Regional Tennis Trials if selected.

Thank you and take care.

Accident insurance information

In the event of injury, no accident or medical insurance cover is provided by the NSW Government Treasury Managed Fund for students participating in school sporting activities, physical education lessons or any other school endorsed activity, unless there is a breach of duty of care by department or school staff. The NSW Department of Education is insured to meet the financial impact of any legal liabilities arising from its activities. It does not provide, nor has it ever provided, accident or medical insurance for students enrolled in government schools.

Concussion management

When a student enrolled in a government school is diagnosed with concussion, the principal must be advised in writing as soon as the diagnosis is confirmed. Students may only return to sport and physical activity once a medical clearance has been provided to the school and, if at a school sport event, to the supervising teacher.

Any student that experiences a suspected concussion during a school endorsed activity, will be removed from the activity and parents/carers will be advised that a medical follow-up is required.
