Team's Total Runs Scored While Batting																			
Runs From Wickets Taken When Bowling (5 runs scored for each wicket taken)																			
Team's Total Runs																			

If 11 players weakest batter bats twice and other 11 bat once. If 10 players team are given additional 2 outs as only 5 pairs will bat and no additional runs.
No extra balls are given for no-balls or wides but 2 runs are added to the score for each plus what the batter scores if the ball is hit.
Normal cricket rules for batters getting out apply **EXCEPT for no LBW**.
